

## **ELECTION OF BOARD OF DIRECTORS**

An electronic ballot with this year's slate of nominees for the Club's Board of Directors was emailed to you earlier in the week. Please take the time to vote! If you prefer a paper ballot, stop by the Club's membership desk and request one. Voting will close June 10, at midnight.

Please consider volunteering for a Club committee. The Club is undergoing a lot of changes, and we need involvement from members who are engaged and who care about the direction of the Club. With a new food and beverage provider coming on board in July, we hope to increase Club membership and to plan a series of events that will showcase the new vendor and new membership benefits. If you're willing to serve, please email [lclaassen@ucsd.edu](mailto:lclaassen@ucsd.edu).

## **CLUB CLOSURE FIRST WEEK OF JULY**

The lunch buffet and happy hours will not be available at the Club July 1 through July 5. This closing is to enable the "move in" of the new food and beverage provider, after Housing/Dining/ Hospitality concludes its transitional caretaking of the Club. All catered events already booked for July 1-5 will be honored by MIHO.

## **CLUB CONSTRUCTION NOTES**

The campus has approved several improvements to the Club facility, including air conditioning for the O'Brien Dining Room and Cecil's Lounge. Although the construction schedule is not yet finalized, most of the improvements should be made during the summer months when the Club is less busy. At this time, no closures associated with

construction are anticipated, but they may be necessary. However, if the dining room has to be closed for construction for any period, alternate spaces for lunch service such as the Atkinson Pavilion and/or the courtyard will be made available.

### **SUMMER HAPPY HOURS & SUMMER MEMBERS PARTY**

The Wednesday-Thursday happy hours, 4 pm -7 pm, will continue throughout the summer months, after July 8. Enjoy light fare and a glass of wine or craft beer on the patio. In August, a party for members and guests will be held in the courtyard. This will be a great opportunity to taste the stunning food and beverage pairings from MIHO, the Club's new vendor. Watch for the invitation!
