Oktoberfest --- San Diego style! Re-inventing Biergartens as gastropubs, engaging home brewers in cooperative communities, and even marketing beer tasting as tourist destinations -- these and other local innovations have UCSD alumni and staff at their heart, helping to make it "America's finest city" for everything from home brew to brew-hotels. Join us for an evening of foodie-worthy fare from recipes invented at local breweries and better-than-Munich ales and lagers fermented and invented by some of our neighbors.

Join UC San Diego Alums George Thornton, and Tricia and Jamie Gallant, for a taste of their homebrewed specialties at our celebration of National Beer Month.
