

Newsletter UCSD Faculty Club December 2019

### MEMBERSHIP SURVEY COMING TO YOU

This past year has seen many changes at the Club, from the building renovation to a new food and beverage vendor to parking fees to new university regulations. All of these changes have affected the membership...and not all in a positive way. So the Club Board has worked with UCSD's Creative Services & Publications to design a brief questionnaire about membership concerns, and that survey will be emailed to you early next week. Rather than your viewing the survey as just another annoying imposition on your time, our hope is that you'll respond quickly and honestly. Your responses will help the Board make changes that will enhance your Club membership.

### PARKING CHANGES IN JANUARY

Speaking of changes... On January 13, Parking Services will require that your license plate number be used to pay for parking, rather than the space number. This is a change that affects the entire campus, not just the Club parking lot. The parking kiosk at the Club has already been programmed to take plate numbers, and enforcement will commence in January.

### LUNCH BUFFET ON HOLIDAY

The Club lunch buffet will be available all next week, through December 20. Then, as the university closes for the winter holiday, so too will the lunch buffet. Lunch buffet service will resume on Thursday, January 2, 2020.

HAPPY HOLIDAYS!
