January 2020

PARKING CHANGES TAKE EFFECT

Parking Services now requires that your license plate number be used to pay for parking, rather than the Faculty Club space number. This is a change that affects the entire campus, not just the Club parking lot. The parking kiosk at the Club has been programmed to take plate numbers, and enforcement has commenced.

VALENTINE'S DAY DINNER SPECIAL

Avoid the crush of local restaurants and book your Valentine's Day dinner at the Club! That's Friday, February 14. A special menu will be posted at the end of January. Cost to members is \$40, guests will be charged \$50. A glass of bubbly will be included in the cost of dinner, and a cash bar will be available.

SPRING WINE DINNER WITH SYMBIOSIS WINERY

The Club is hoping to schedule a wine dinner during spring quarter with wines from Symbiosis Winery, a "small and green" production operation in Paso Robles. Symbiosis makes a number of excellent wines, and we'll try to have 4 or 5 of them for the dinner.

PLEASE NOTE: LUNCH BUFFET WILL BE CLOSED MONDAY, 1/20, IN OBSERVANCE OF MARTIN LUTHER KING DAY

HAPPY 2020!
